2300.00 Compensation and Reimbursement for Board and Committee Meetings

Members of the Board of Directors of the District will be entitled to receive \$125 per day for each day's attendance at meetings of the Board, or for each day's service rendered as a member of the Board by request of the Board, as provided for in this policy.

Applicable law provides that a Director can be compensated for up to 10 days per calendar month for each day's attendance at meetings of the Board, or for each day's service rendered as a Director. The District encourages Directors to take advantage of opportunities to be informed concerning matters of interest to the District, and to inform others of the activities and interests of the District. The General Manager will provide to the Board on a quarterly basis a list of meetings attended by each Director for which the Director was compensated under this policy. Directors will be compensated (for up to 10 days per calendar month) for attending the following types of meetings:

- Meetings of the Board of Directors of the District;
- Meetings of committees of the Board of Directors of the District;
- Meetings of joint powers authorities, associations and other organizations of which the District is a member or participant;
- Meetings of a County Board of Supervisors, Local Agency Formation Commission or a special district or legislative or regulatory body that has on its agenda a matter that is of interest to the District;
- Meetings or office visits as requested by the General Manager; and
- Conferences, seminars and other events dealing with matters of interest to the District.

When making any trips on official business of the Board, or in attending any conferences, Directors will be compensated for each day sessions are attended. If the conference is of sufficient distance that travel on the same day is unreasonable, then Directors will be compensated for up to one travel day before and one travel day after the meeting or conference.
